The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

Effect of Muntha

Muntha is a sensitive point in the annual horoscope. Muntha moves by one rasi per year from the birth ascendant. The position of Muntha in the annual chart has a significant effect on the results one can expect during the year.

The placement of Muntha in the eighth house is a forewarning of ailments to a near or dear one. Pay heed to any symptoms that may come your way. Do consult a doctor early enough. Be careful while travelling or while handling

sharp objects and weapons. You may not have much luck with finances. During this phase, avoid fruitless endeavours as they will only lead to loss of confidence. You may have to travel to or work at faraway places. However hope and prayer should help you sail through the year without too much harm. Meditation could help soothen your nerves.

Lord of Muntha

The lord of the house where Muntha is placed is called Munthesh, the Lord of Muntha. The effect of Munthesh is only secondary to that of Muntha.

It is important to note that in your annual chart, the Muntha as well as the Lord of Muntha are in unfavourable positions. The malefic effects are therefore reinforced.

The lord of Muntha is in the twelfth house. This year could bring to you certain moments of defeat and losses. It could be the giving up of some coveted post you hold or even the loss of some valuable article. However let there be no lack of confidence. Hold on steadfast to hope and do not let disappointment take you over.

Lord of the year

Varsheswara, the lord of the year is selected based on various factors as shown above. The lord of the year has a significant influence on the events that unfold during the year. The strength of the planet is also an important consideration.

Mercury is the lord of the year and is strong. This year, you could gain wealth by your tact and diplomacy. Trade prospects are bright and you could gain from latest technical knowledge and know-how. Your efforts will be rewarded by laurels and honours. You will be successful in discussions and at sports too. You will be a popular man among your family and friends. They value and listen to your advise more than ever during this period. Your friendship among aristocrats and learned men will stand you in good stead.

Birth Lagna

The position of birth lagna in relation to varsha lagna has special significance.

The birth lagna and varsha lagna are the same for this year. This is known as 're-birth year'. During the coming months, you may be under pressure and experience moments of anxiety. Your health also could be affected. If you already have some problems, you must avail good medical care. You are likely to remain tense during some part of the year. However do try and face any hardships with fortitude.

Planets in houses
